Tutor Needed
For tutoring cybersecurity students

ODU Center for Cybersecurity Education and Research has two tutor positions available. We are looking for tutors for cybersecurity students. The tutors will work in the Fall 2022 semester and be paid a $1,000 stipend. The tutors are expected to work for total 70 hours in the Fall semester. Students who took IT 315, or CS 150 with grade B or above will be given preference.

Eligibility
Students with major in Cybersecurity, Computer Science, ECE, or IT, with GPA >=3.0. Exceptional students with GPA < 3.0 will also be considered.

How to Apply
Please email the following information to Dr. Chunsheng Xin, exin@odu.edu, with the subject line “Tutor for Cybersecurity”:
   1. Transcripts.
   2. Resume: list education and experience.
